BEACON

Dedication

The 1966 BEACON commemorates the fifty year history of Cleveland High School. Retiring this year are four teachers who have made important and valuable contributions to this history. Each has devoted over 35 years in educating Clevelandites. To these four people, Bessie Campbell, Lelia Gunther, Charlotte Pope, and Ernest Schueneman, this book is dedicated.

Joining the Cleveland High School faculty in 1924 as an English teacher was Miss Bessie Campbell. Later in her career she began teaching journalism and became the sponsor of the school paper, the Orange and Blue. Her pleasing personality, which was apparent in her association with the students, was reflected in her election many times as a senior class sponsor.

Lelia Gunther

Miss Lelia V. Gunther began teaching physical education at Cleveland in 1927. She was instrumental in introducing many new activities in the girls' physical education program which resulted in an ever-growing Girls' Athletic Association. At the end of the year this Program culminated in an enormous "Girls' Play Day," in which the entire student body participated. Her warm personality and genuine affection for her pupils resulted in her being elected senior class sponsor many times. For the past few years she has taught freshman English classes.

Charlotte Pope

The Cleveland High School Faculty welcomed Miss Charlotte E. Pope to the faculty as a music teacher in 1931. She was responsible for the organization of the boys' glee club and the accordion band. Miss Pope began teaching social studies in 1938, and her summer travels greatly supplemented her already interesting history background. Room 11 has become a "museum" because of the various student projects and murals which have been made for Miss Pope. These helped to make her history classes more interesting and beneficial to her students.

In 1931 Mr. Ernest M. Schueneman began a long and gratifying career as a chemistry and mathematics teacher at Cleveland High School. With his active interest in singing and athletics, he led many Cleveland Pep Rallies and sponsored the Cheerleaders for 25 years, instilling school spirit in all of the students. His spontaneous pep, warmth, and jovial manner are all typified in the title of "Mr. School Spirit."

Foreword

In honor of Cleveland High School's Golden Anniversary, the 1966 BEACON has looked upon some of the events and people of the past. For fifty years Cleveland has educated her students, making for the advancement of the community.

It is easy to see why our high school has gained the title of "The Red Castle"—with its lofty and stately towers of red brick. Time has passed, but "The Castle" still stands, never to be forgotten by those who have traversed its many halls.

Instrumental music offers a varying program for music students.

For the student who wants to begin in the instrumental field, there is the beginners' band. The more advanced student may participate in Orchestra and Concert Band. The Hi-Fi's, who play popular dance music, provide a challenge for those who distinguish themselves in special musical arrangements.

Representation of the students regarding various school issues affecting them is the responsibility of the Student Council. To the members of the council, the meetings provide experience in parliamentary procedure and general club organization. The council was involved this year in several student exchanges from various schools.

School functions such as the dances held after the coronations, the Homecoming Dance, and, this year, the Faculty-KXOK game and the "Roaring Twenties-Swinging Sixties Dance" were sponsored by the council.

The Key Club is a service organization sponsored in part by the school, and in part by the South Side Kiwanis Club. The club's purpose is to serve Community, school, and home through various projects.

Particularly noteworthy projects this year were a movie shown in the aud, Christmas caroling, raising funds for the March of Dimes, the annual "Y" Night, and a successful dance, given to celebrate the Club's first decade at Cleveland.

PEP CLUB

Pep Club has done much this year to promote school spirit in all athletic events. The club has helped with the coronations, the Homecoming Dance, the sale of season passes, and enthusiasm at the games.

The group has fund raising activities, including bake sales and car washes. In the spring, the girls organize and direct the cheerleading tryouts.

LETTERMEN'S CLUB

The purpose of the Lettermen's Club is to advance the ideals of good sportsmanship in the school by setting a good example.

To qualify for membership in the club, an athlete must earn a letter in a varsity sport.

The Lettermen handled the sale of soda at the home basketball games, promoted the sale of tickets and season passes, and sold candy to boost the school athletic fund.

Library Club

The library club is composed of those students who donate their study halls to work in the library. The objective of the club is to give these students who are interested in library work practical experience.

The Fine Arts Council promotes the furthering of appreciation for the fine arts at Cleveland. Representatives of the choral and instrumental music departments, speech and language departments meet once a month to discuss methods of making the student body realize the values of the art fields.

The club sponsored an Art Exhibition at the South Side National Bank, at which Cleveland students were represented.

Language Clubs Stimulate Interest in Foreign Culture

SPANISH CLUB

Spanish Club provides a variety of activities including games, songs, and festivities of Spanish culture. Members gain an insight into the everyday life of the Spanish and Latin American people.

Among the "fiestas" the members have had are the Christmas party, with a piñata, and a Tacos party.

FRENCH CLUB

The French Club was formed to acquaint the students of the language with the French way of life. Customs and everyday activities of the French people are learned through films, field trips, and guest speakers. The club also provides the names of French pen pals for students who wish to correspond.

The Science Club is for students interested in the natural and physical sciences. The club is divided into three work-study groups to make it possible for the members to study a particular field of science. The sections are a rocketry group, whose members build and launch their own rockets, a biology section, which utilizes the school's facilities to carry on experiments with fruit fly and bacteria cultures; and a spelunking group for members interested in cave exploration.

At its general meetings, the club heard from guest speakers and observed scientific films. One of the highlights of the year was a field trip to the McDonnell Planetarium.

Cleveland Rambles Past DuBourg, 40-0

By MYRON HOLTZMAN

If anyone had any doubts as to Cleveland's claim to the Public League championship, the Dutchmen crushed them Thursday afternoon at Washington University's Francis Field.

The mighty Dutchmen, using a powerful offensive to complement their well-known defensive powers, ripped Catholic Athletic Conference titlist DuBourg, 40-0 in the annual Turkey Day game before an estimated crowd of 10,000.

In the preliminary test, another PHL power, Soldan, romped past Vianney of the CAC, 26-0.

Coach Ray Cliffe's Public High League champions, staying mainly on the ground all afternoon, poured through the Cavalier defense to roll up a 27-0 halftime lead, while a crunching defense

stopped both the DuBourg running and passing game. The triumph gave Cleveland its tenth victory and first unbeaten season since 1949.

Jerry Lawson paced Cleveland's offensive drive, rushing for 83 yards and three touchdowns as the Dutchmen's offensive machine couldn't be stopped.

DuBourg meanwhile, with half of its normal backfield sitting the game out with injuries, was held to a minus three yards the first half and finished the game with only 18 yards rushing and 12 passing.

The first time the Dutchmen got their hands on the ball they drove 67 yards in 11 plays for a touchdown with Ron Bozikis going over from the two with

Cleveland Seeks Fifth Win in Row

By Bob Posen

"A bunch of alley cats" is the way coach Ray Cliffe describes his Cleveland High football team that will carry a 4-0 won-lost record into tomorrow's Public League game against Vashon (0-3) at O'Fallon Tech's field.

"There's not a whole lot of talent, but they're working hard. They're just dedicated ballplayers," said Cliffe, repeating his pre-season statement that this is a rebuilding year for the

1966 Senior Prom

The senior classes of January and June, 1966, held their prom on January 22, 1966, in the Mayan Room of the Bel Air East Motel. Present were the retiring King and Queen, Fred Smith and Miss Lynn Warick. After the coronation the new King and Queen, Ray Martin and Miss Sandy Wenzelburger danced to the music of "Some Enchanted Evening," theme of the Prom.

Festival of Bands

In April, Cleveland High School presented the 1966 Festival of Bands. Cleveland's instrumental groups and dance bands from the local area presented arrangements of various types of music from Beethoven to the Beatles. Russ Carter, an alumnus of the Red Castle and St. Louis disc jockey, was Master of Ceremonies. The highlight of the evening was a performance by Joe Schirmer, world famous banjo player.

Roaring Twenties — Swinging Sixties

Student Council sponsored a Roaring Twenties-Swinging Sixties dance on May 16, 1966. The Roaring Twenties atmosphere was created by the presence of a mock "speak-easy" and a Dixieland Band, while a rock'n'roll band played for the Swinging Sixties.

... and
Sightseers

Seniors go casual as they pick up their robes and rehearse for Class Day.

Members of the Senior Class were awarded many scholarships and academic honors.

With Class Day over, the Seniors descend the stairs of the stage for the last time.

Jackie Kleinschrodt and Mary McDonald enjoy the food at the Senior luncheon.

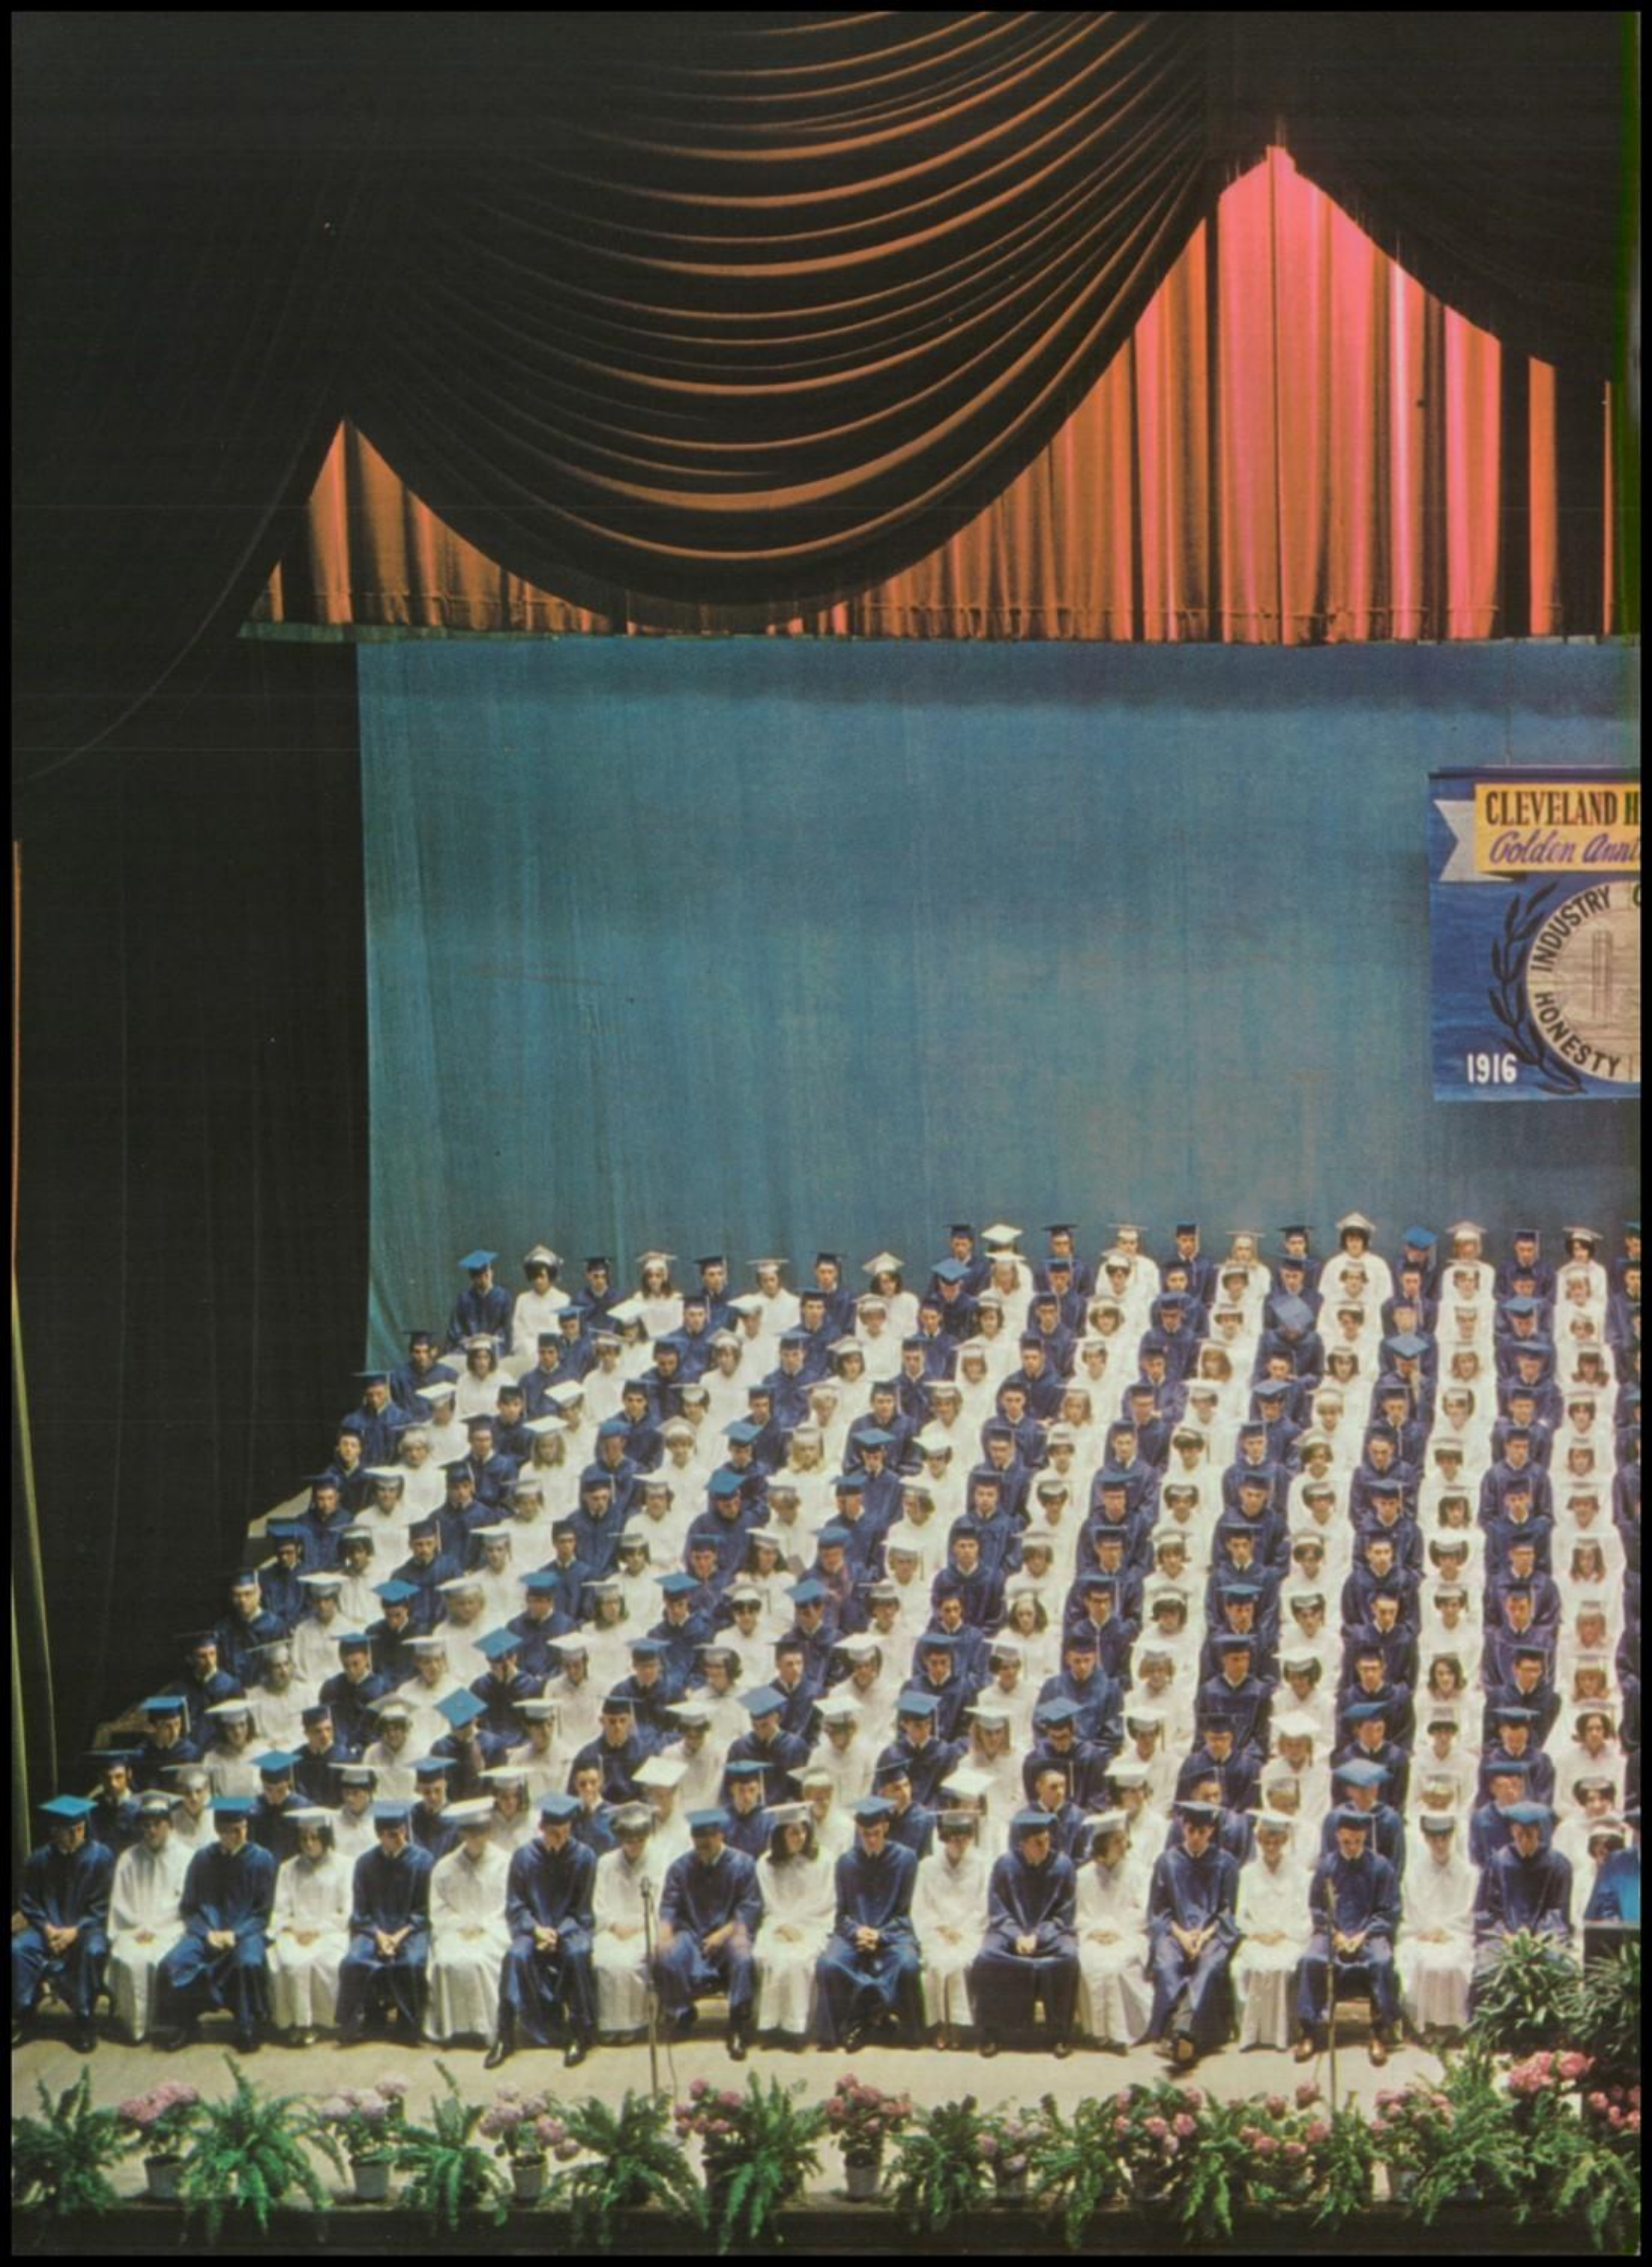

Alan Tiefenbrunn, valedictorian, accepts an honor.

Most of the Seniors attended the luncheon after Class Day at Stan Musial and Biggie's. Thirty seniors attended a banquet that night given by the Cleveland Parents' Association for those who maintained a 3.5 average or above for all four years.

Mr. Fedak, President of the CPA, presents Shirley Beeson a certificate of merit.

OAKLAND LIGHT SIX

"Sturdy as the Oak"

Qualities That Make Exceptional Performance Possible and Insure Day-in and day-out Service

POWER

26-35 H. P., six-cylinder overhead valve Oakland-Northway motor, cast in bloc. Three-point suspension. Famous Hotchkiss drive. Flexible, reliable, easy to handle in country or city. Instant response. Powerful brakes.

STURDINESS

Pressed steel frame 1 1/2 inches deep. Front axle—1-beam, drop forged. Rear axle—one-bearing full-floating type. 22x1 1/2-inch tires, non-skid in rear. Springs—front semi-elliptic; rear, three-quarter-elliptic, underslung.

LIGHT WEIGHT

2100 pounds. Extremely simple and practical chassis design eliminates every pound of superfluous weight. 110-inch wheelbase and long body make it a very roomy car, yet weight is below average of similar sized cars.

ECONOMY

18 to 22 miles per gallon of gasoline; 300 miles to gallon of oil. Oakland-Stewart vacuum feed system. 12-gallon fuel tank in rear. Marvel carburetor. Willard storage battery. Few cars with so much power and load capacity cost so little to run.

If a good-looking girl smiles at you, keep cool; she may be a book

*'Twas a quiet, balmy evening—every thing was deathly still;
Hark! a noise, a terrible noise of proacheth from o'er the hill.
The whole populace was out, quaking with newborn fear,
For, God in heaven, have mercy, the noise was now quite near.
What was it—approaching soldiers, or could it be a tank?
Oh, no! more likely the enemy—now the populace shrank;
R-R-R-Rumble! nearer and nearer the sound.
Yez, the populace was sure now, it was the Hun hound.
When would the suspense be over? when would it come in sight?
Shall this handful of people run, or should they stay and fight?
Now the noise drew nearer, the thing was almost here.
With guns in hand they stood waiting for the merciless Boche to appear.
Once more through the waiting crowd there ran another shiver;
Lo and behold! for down the slope came a one-horse power sliver.
Edward Dolder, June, '20.*

*Tho' a kiss be amiss,
She who misses the kisses
As Miss without kiss,
May miss being Mrs.
And he who will miss
The kisses of Misses
Will miss having the bliss
Of being Mr. to Mrs.—Ez.*

THE NEW THOR 32

THE THOR 32 SELLS EASIEST

BECAUSE women know that the THOR
is the most dependable washer.
BECAUSE women see in a minute how
sturdy and strong it is, and realize
that it will last a lifetime.
BECAUSE it is the handsomest washer
ever designed.
BECAUSE its construction gives it 60%
greater washing capacity than other
washers of the same floor space.
BECAUSE the washing principle is
correct—the revolving, reversing
cylinder.
BECAUSE it is free from mechanical
trouble.
BECAUSE there are over half a million
enthusiastic women users praising
the THOR.
